

American Treasure Hunters for Libraries

Present-day adventurous hunts for treasure from American history using codes, puzzles, action-packed field work, and gathering of historical evidence in an exploration and celebration of the depth and breadth of our fascinating nation.

SEVEN-BOOK SERIES PREVIEW

Low-risk starting point: \$59.95 Books 1–3 hardcover bundle. Seven titles will also be available in trade paperback during 2027.

High-school seniors Ben Prescott, Porter Rockwell, and Latch McRae combine research, ciphers, salvage skills, and field gear to pursue treasure linked to historical events and lost treasure. Each mission stands alone; the recurring team supplies continuity.

The collection case

Each numbered mission combines a real historical dispute with a new physical objective, a fast clue trail, and a complete resolution. The three recurring friends provide series continuity while every book can be selected or tested on its own.

Reader appeal

1. Fast chapters, cliffhangers, puzzles, maps, technology, underwater or field action, and humor.
2. Three capable teen male leads with distinct strengths and a loyal friendship.
3. Family and faith themes, competent adults, and legal stewardship of discoveries.

Collection practicality

4. Standalone missions in a clearly numbered seven-title series.
5. ATH “Back Pages” sections suggest historical research areas and separate documented history from the novel’s inventions.
